Subject: **Requesting for Student Internship**

Dear Sir,

This is to request your permission for Mr. **Ubaid bin Waris**, enrolled in program of **BS-CS** at SZABIST University Islamabad, to have the internship opportunity at your prestigious organization.

SZABIST graduates are serving at leadership positions in both the industry and academia. Our graduates have a strong enterprise spirit and inclination towards entrepreneurial setup based on their Final Year Projects (FYPs)/thesis launching commercial products. Artistically hands-on problem-solving skills of graduates of SZABIST extricate them from the graduates of the other institutes.

Your esteemed organization is a potential employer for internships of our students, who would practice and enhance their cognitive, technical and creative skills under the supervision of your consummate professionals.

It will be an honor if you extend this opportunity to him as an intern at your organization.

We also request you to share his performance feedback with us at the end of his internship.

Regards,
